

CURRICULUM VITAE

PERSONAL INFORMATION

Elisa Ebrille

Corso Filippo Turati 53, 10134 Torino, Italy

(+39) 328 473 5723

elisa.ebrille@gmail.com

Sex Female

Date of birth 02/08/1984

Nationality Italian

WORK EXPERIENCE

16/07/2018 – Present

ASSISTANT PHYSICIAN

Cardiology Department, Electrophysiology Division, Maria Vittoria Hospital, ASL Città di Torino, Torino (Italy)

Director: Dr. Massimo Giammaria

10/07/2016 – 22/06/2018

ELECTROPHYSIOLOGY FELLOW

Harvard University, Electrophysiology Division, Harvard-Thorndike Electrophysiology Institute and Arrhythmia Service, Beth Israel Deaconess Medical Center, Boston, MA (United States)

Director: Prof. Mark Josephson, Prof. Alfred Buxton

15/06/2015 – 24/06/2016

ASSISTANT PHYSICIAN

Cardiology Division, Cardinal G. Massaia Hospital, Asti (Italy)

Director: Dr. Marco Scaglione

EDUCATION AND TRAINING

03/2019

EUROPEAN HEART RHYTHM ASSOCIATION (EHRA)

CERTIFICATION LEVEL 1 AND 2

Electrophysiology Competence Certification:

- Invasive Cardiac Electrophysiology Specialist
- Cardiac Pacing & Implantable Cardioverter Defibrillators Specialist

10/07/2016 – 22/06/2018

ELECTROPHYSIOLOGY FELLOWSHIP

Harvard University, Electrophysiology Division, Harvard-Thorndike Electrophysiology Institute and Arrhythmia Service, Beth Israel Deaconess Medical Center, Boston, MA (United States)

Directors: Prof. Mark Josephson, Prof. Alfred Buxton, Prof. Peter Zimetbaum

05/2016

UNITED STATES MEDICAL LICENSING EXAMINATION

- Step 1: 21/10/2015
- Step 2 Clinical Skills: 25/07/2014
- Step 2 Clinical Knowledge: 03/02/2016
- Step 3: 05/05/2016

20/05/2015

CARDIOLOGY FELLOWSHIP DEGREE

University of Torino, Città della Salute e della Scienza, Torino (Italy)

Dissertation: Junctional tachycardia: Electrophysiological features, Anatomical origin within the AV junction and Predictors of complete heart block with transcatheter ablation.

Degree grade: 70/70 with honors

Director: Prof. Fiorenzo Gaita

01/05/2010 – 20/05/2015

INTERNSHIP, RESIDENCY AND CARDIOLOGY FELLOWSHIP

University of Torino, Città della Salute e della Scienza, Torino (Italy)

From 1/05/2010 to 30/06/2013 training at the Cardinal G. Massaia Hospital in Asti

01/07/2013 – 30/06/2014

RESEARCH FELLOWSHIP

Mayo Clinic, Department of Cardiovascular Diseases, Electrophysiology Division, Rochester, MN (United States)

Director: Prof. Samuel Asirvatham

15/07/2009

MEDICAL SCHOOL DEGREE

University of Torino, Città della Salute e della Scienza, Torino (Italy)

Dissertation: Percutaneous coronary intervention for unprotected left main disease in a high-risk population: long term follow-up.

Degree grade: 110/110

Director: Prof. Fiorenzo Gaita

01/10/2003 – 15/07/2009

MEDICAL SCHOOL

University of Torino, Città della Salute e della Scienza, Torino (Italy)

07/2003

HIGH SCHOOL DEGREE

Liceo Scientifico L. Cocito, Alba (Italy)

Degree grade: 100/100

PERSONAL SKILLS

Mother tongue(s)

Italian

Foreign language(s)

English: level C2

French: level B2

JOB-RELATED SKILLS

PROFESSIONAL SOCIETIES

- Italian Federation of Cardiology (SIC) - Member
- European Society of Cardiology (ESC) - Member
- Massachusetts Medical Society (MMS) - Member
- Heart Rhythm Society (HRS) - Member
- European Heart Rhythm Association (EHRA) – Member
- European Heart Rhythm Association (EHRA) Certification Committee – Member
- European Heart Rhythm Association (EHRA) Young EP – Member
- Italian Association of Pacing and Electrophysiology (AIAC) – Member

EDITORIAL ACTIVITIES

- Circulation Arrhythmia and Electrophysiology
- Europace
- Journal of Cardiovascular Electrophysiology
- Pacing and Clinical Electrophysiology
- BMC Cardiovascular Disorders
- Heart Rhythm Case Reports
- Minerva Cardioangiologica

REPORT OF NATIONAL AND INTERNATIONAL INVITED TEACHING AND PRESENTATIONS

2009: Biokinetics analysis of CD34+ endothelial precursor cells spontaneous mobilization during acute myocardial infarction and correlation with clinical variables. Plenary talk. GISE (Italian Group of Interventional Cardiologists) Meeting, Bologna, Italy.

2010: Percutaneous closure of patent foramen ovale in patients suffering from cryptogenic stroke: safety and effectiveness prospective evaluation in a single center. Plenary talk. ANMCO (Italian Society of Hospital Cardiologists) Meeting, Florence, Italy.

Safety and effectiveness of drug-eluting stent implantation for STEMI primary PCI. Mortality and reinfarction 6 years after the procedure. Plenary talk. ANMCO (Italian Society of Hospital Cardiologists) Meeting, Florence, Italy. Subacute contemporary drug-eluting stent thrombosis: a familial case? Plenary talk. ANMCO (Italian Society of Hospital Cardiologists) Meeting, Florence, Italy.

2011: Predictors of long-term clinical outcomes in drug-eluting stent implantation for unprotected left main disease. Plenary talk. SIC (Italian Society of Cardiology) Meeting, Rome, Italy.

Relationship between new silent cerebral ischemic lesions and radiofrequency catheter ablation of atrial fibrillation: comparison of 6 vs 56-hole irrigation electrode design catheters. Plenary talk. SIC (Italian Society of Cardiology) Meeting, Rome, Italy.

2012: Impact of ablation catheter irrigation design on silent cerebral embolism after radiofrequency catheter ablation of atrial fibrillation. Plenary talk. SIC (Italian Society of Cardiology) Meeting, Rome, Italy.

Single center experience of fluoroless AVNRT ablation guided by electroanatomic reconstruction in children and adolescents. Plenary talk (abstract). SIC (Italian Society of Cardiology) Meeting, Rome, Italy.

2013: Very long-term results of surgical and transcatheter ablation of long-standing persistent atrial fibrillation. Plenary talk (abstract). SIC (Italian Society of Cardiology) Meeting, Rome, Italy.

2014: Fluoroless ablation of accessory pathways using electroanatomic mapping system in children and adolescents. Plenary talk. SIC (Italian Society of Cardiology) Meeting, Rome, Italy.

2015: Electroanatomic mapping system allows zero fluoroscopy in cryo and radiofrequency ablation of accessory pathways in children. Plenary talk. European Heart Rhythm Association, Milan, Italy.

2017: An unusual case of stroke and atrial fibrillation in a 23-year-old. Plenary talk. European Society of Cardiology, Barcelona, Spain.

2020: Bundle branch reentrant ventricular tachycardia. Webinar talk. Italian Association of Pacing and Electrophysiology (AIAC).

2021: HeartLogic algorithm for heart failure monitoring in the era of COVID-19 pandemic and remote monitoring/telemedicine. Plenary talk. Italian Association of Pacing and Electrophysiology (AIAC).

2022: Device programming for His bundle pacing. Plenary talk. Italian Association of Pacing and Electrophysiology (AIAC) – Regional division.

Finalist at the “Young Investigator Award” Competition

31) Di Clemente F, Caponi D, Anselmino M, Blandino A, Ferraris F, Di Donna P, Raimondo C, **Ebrille E**, Halimi F, Leclercq JF, Iunco C, Vaudagna CE, Cesarani F, Gaita F, Scaglione M. Silent cerebral lesions after pulmonary vein isolation with nMARQTM. Cardiostim (European Heart Rhythm Association) Meeting, Nice, France, 2014

32) De Simone CV, Aakre CA, Vaidya VR, **Ebrille E**, Hu T, Ponamgi S, Hodge DO, Slusser JP, Noheria A, Friedman PA, Asirvatham SJ. Transvenous cardiac

implantable electronic devices are not associated with an increase in pulmonary embolic events. Cardiostim (European Heart Rhythm Association) Meeting, Nice, France, 2014

33) Ebrille E, Madhavan M, DeSimone CV, Mulpuru SK, Mikell SB, Johnson SB, Suddendorf SH, Ladewig DJ, Gilles EJ, Danielsen AJ, Asirvatham SJ.

Transvenous stimulation of renal sympathetic innervation increases blood pressure. Cardiostim (European Heart Rhythm Association) Meeting, Nice, France, 2014

34) Ebrille E, Konecny T, Spacek R, Vondrova D, Jones P, Ambroz P, DeSimone CV, Powell BD, Hayes DL, Friedman PA, Asirvatham SJ. Implantable cardioverter defibrillators and geomagnetic activity. Cardiostim (European Heart Rhythm Association) Meeting, Nice, France, 2014

35) Ebrille E, Nanda S, Noheria A, Asirvatham SJ. Electrophysiologic features and ablation of junctional tachycardia. American Heart Association Meeting, Chicago, IL, USA, 2014

36) Killu AM, Ebrille E, Asirvatham SJ, Munger TM, McLeod CJ, Packer DL, Friedman PA, Mulpuru SK. Percutaneous epicardial access for mapping and ablation is feasible in patients with prior cardiac surgery, including coronary bypass surgery. American Heart Association Meeting, Chicago, IL, USA, 2014

37) Raimondo C, Ebrille E, De Vito R, Caponi D, Anselmino M, Ferraris F, Di Donna P, Halimi F, Gaita F, Scaglione M. Radiofrequency AF ablation with a new multipolar irrigated catheter (nMARQTM): acute and short-term results and impact on post-ablation silent cerebral ischemia. European Heart Rhythm Association Meeting, Milan, Italy, 2015

38) Ebrille E, Amellone C, Lucciola MT, Orlando F, Suppo M, Antonacci G, Gotta F, Giammaria M. Implantable cardiac monitor after cryptogenic stroke: atrial fibrillation detection and predictors. Italian Association of Pacing and Electrophysiology (AIAC) Meeting, Bologna, Italy, 2020

39) Ebrille E, Amellone C, Lucciola MT, Orlando F, Suppo M, Antonacci G, Gotta F, Giammaria M. Implantable cardiac monitor after cryptogenic stroke: atrial fibrillation detection and predictors. European Society of Cardiology Meeting, Amsterdam, The Netherlands, 2020

40) Ebrille E, Amellone C, Lucciola MT, Suppo M, Antonacci G, Gotta F, Birolo M, Favro E, Orlando F, Giammaria M. HeartLogic algorithm for heart failure monitoring in the era of COVID-19 pandemic and remote monitoring/telemedicine. European Society of Cardiology Meeting, 2021

41) Ebrille E, Lucciola MT, Amellone C, Orlando F, Lipani F, Ferreri E, Giammaria M. Syncope: a worrisome presenting symptom during the first wave of COVID-19 in Italy. European Society of Cardiology Meeting, 2021

42) Ebrille E, Amellone C, Lucciola MT, Suppo M, Antonacci G, Gotta F, Birolo M, Favro E, Orlando F, Giammaria M. Remote monitoring of cardiac implantable electronic devices during CoViD-19 pandemic. Italian Association of Pacing and Electrophysiology (AIAC) Meeting, Bologna, Italy, 2021

43) Ebrille E, Lucciola MT, Amellone C, Ballocca F, Suppo M, Antonacci G, Gotta F, Birolo M, Orlando F, Favro E, Giammaria M. Deep sedation with dexmedetomidine administered by electrophysiologists during COVID-19 pandemic compared with propofol administered by anesthesiologists for ablation of atrial fibrillation. European Heart Rhythm Association Meeting, Copenhagen, Denmark, 2022

44) Ebrille E, Lucciola MT, Amellone C, Ballocca F, Suppo M, Antonacci G, Gotta F, Birolo M, Orlando F, Favro E, Giammaria M. Deep sedation with dexmedetomidine administered by electrophysiologists during COVID-19 pandemic compared with propofol administered by anesthesiologists for

ablation of atrial fibrillation. Italian Association of Pacing and
Electrophysiology (AIAC) Meeting, Bologna, Italy, 2022.

Elisa Ebrille

A handwritten signature in black ink, appearing to be 'Elisa Ebrille', with a stylized, flowing script.

Torino, 12/07/2022
